# versatile micromax ticks all the boxes

BAL Micromax is the new fast-setting, flexible wall and floor grout for 2mm to 20mm joints. Its versatility makes it the perfect choice for almost any grouting job, indoors and outside and in wet or dry environments, with virtually any size or type of tile. Incorporating Microban antimicrobial protection, it is particularly suitable for bathrooms, wetrooms, domestic kitchens, changing rooms and leisure centres.

**Available in 2.5kg and 5kg polybags**
