Our focused range of grouts provide peace-of-mind, with a fantastic finish to any tiling.

Perhaps you prefer separate narrow & wide-joint solutions, or one bag for all applications? Maybe you're looking for a longer 2-hour working time, or prefer a faster 30 minutes working time & fast-track 2-3 hour set? We have the solutions.

BAL Grout Flex

Further Micromax2 colourways available.
All colour indications are for guidance only.

Total Support

Fixers and contractors can rely on BAL for expert advice every step of the way. BAL's free Technical Advisory Service can be trusted to come up with a solution whenever it is needed.

If you require a Specification, BAL's Specification Support Team can provide free written M20/M40 NBS specifications plus full project advisory from start to finish – ensuring your tiling projects run smoothly.

Plus, we have a Training and Technical Support Team that can offer on-site consultancy, training and advice for your project. As ex-fixers themselves, they are perfectly placed to answer any of your queries, whether it is product related or general tiling advice.

Full System Solution

Whatever the project, BAL can provide a full system for tiling including:

- **Waterproofing**
- **Levelling**
- **Preparation – including uncoupling**
- **Adhesives**
- **Grouts**
- **Sealants**
- **External Tiling Systems**

25 Year Guarantee

BAL products won't let you down. That is why all our products come with a market-leading 25-year written guarantee. From start to finish BAL is guaranteed to deliver perfect results.
